It is hard to believe that this school year is quickly coming to a close. The amount of growth the children have experienced cannot truly be measured. It is such a blessing for our staff to see the changes take place before our very eyes. Thank you for sharing your dear children with us. To our graduating Four and Five Year Old's, we wish you the very best, continued growth, and success in Kindergarten. May the ideals learned here be with you forever. No matter where you go, may you always remember that God loves you.
